

Dear

I am writing to ask for your prayerful generosity. I am training to become a Life Mentor through Life Ministries. As someone who cares about my development and future ministry, I thought you might like to be praying for me consistently and to contribute a tax-deductible donation toward my training tuition.

I am asking you to commit to praying for me weekly and to consider giving a one-time gift toward my tuition that I may continue my training and ministry to help those who are hurting.

Life Ministries, started by Polly Barcol in 2007, is a non-denominational, non-profit ministry. Life Mentors have been Biblically trained in the advanced training classes of the Network 220 (www.network220.org).

Life Ministries offers mentoring for individuals, married couples, and families. Our Life Mentors guide individuals into God's truth and teach our true identity in Christ that individuals may find freedom and joy. Some common issues we discuss is conflict management, communication skills, emotional trauma, depression, anger, freedom from bondage, identity issues, abuse, and addictions. We refer individuals to a professional such as a doctor, psychiatrist, social worker, etc... as deemed necessary.

We also offer classes to further teach the **Life ministries** message and to train others who desire to be a Life Mentor.

All donations toward Mentoring and Training are tax-deductible.

Contact Polly Barcol if you would like more information or are interested in a class and/or being a mentor at pabarcol@gmail.com. Check out Life Ministries at their website: lifeministries220.com.

If you would like to support this ministry, and me please fill out and return the section below with your check to Life Ministries and my name in the memo. Mail to: 111 Claire Terrace, Daytona Beach, FL 32118.

Thank you for your support!
