

Term Paper

1. Don't sweat it. It will not be graded. Any effort is considered as acceptable.
2. This is a great time to reflect on what the year has meant to you personally, socially, emotionally, and spiritually. Share your story and how Life Ministries this past year has shed light on your life and how you have grown.
3. We prefer that the paper be observational, subjective, and personal instead of educational.
4. Glorify God above any writer, teacher, or staff person.
5. Give it a cover sheet with name of term paper, student name, and date.
6. Type 7 pages, double-spaced.
7. Give credit for quoted info using parenthetical notation and footnotes or bibliography.
8. Remember I Cor 2:4
