How the Good News Becomes Bad News

God is										
		Holy			Love					
Caring	Good	Reliable	Gracious	Available	Accepting	Impartial				

As a result of Unhealthy Relationships, Trauma, Sin, Sickness, etc... We decode as bad news

God is											
Unconcerned	mean	untrustworthy	conditional	approval	critical	unfair					

We have a distorted Concept of God & Damaged Love Receptors (the Holy Spirit sometimes needs a temporary assistant, like a mentor)

We need to renew our minds with God's truth!

"...you will know the truth and the truth will set you free."

John 8:32
